As the threads
of a tapestry are
woven . . .

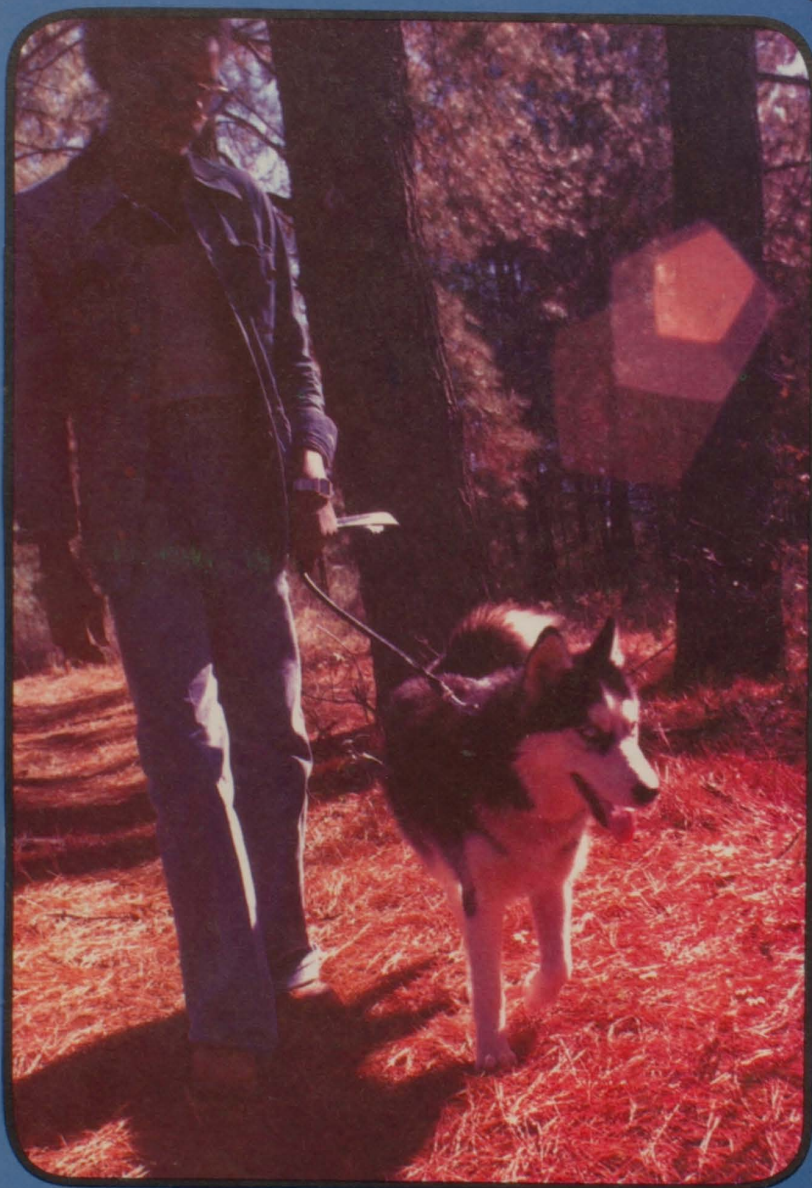

. . . So are our lives

We touch each others
hearts

... as if we ourselves were the threads

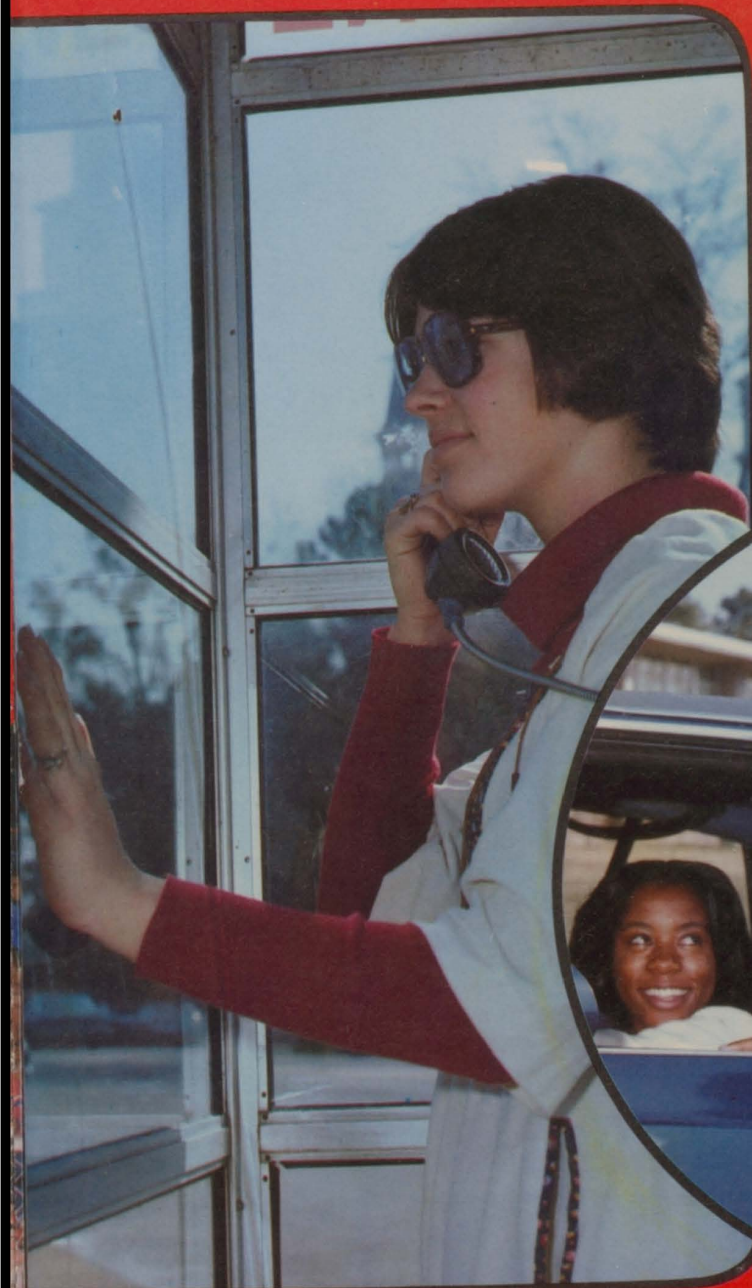

Although
it may be
a mere
glance,
smile,
or small
gesture

. . . we all share a portion of
ourselves with others . . .

As our lives become entwined . .

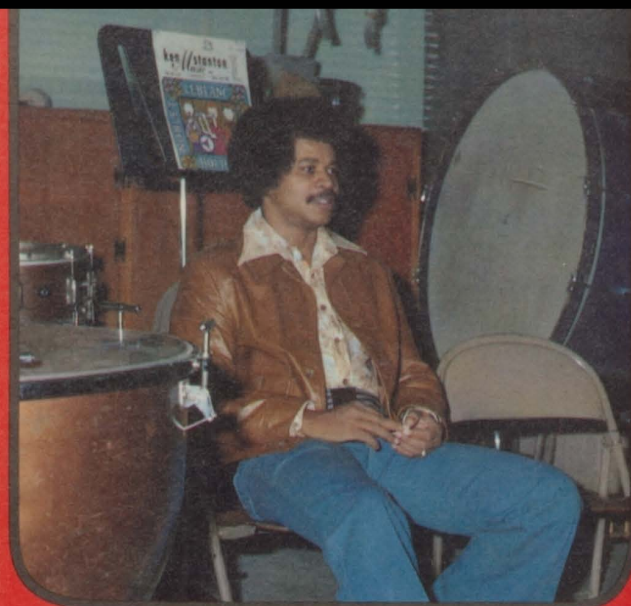

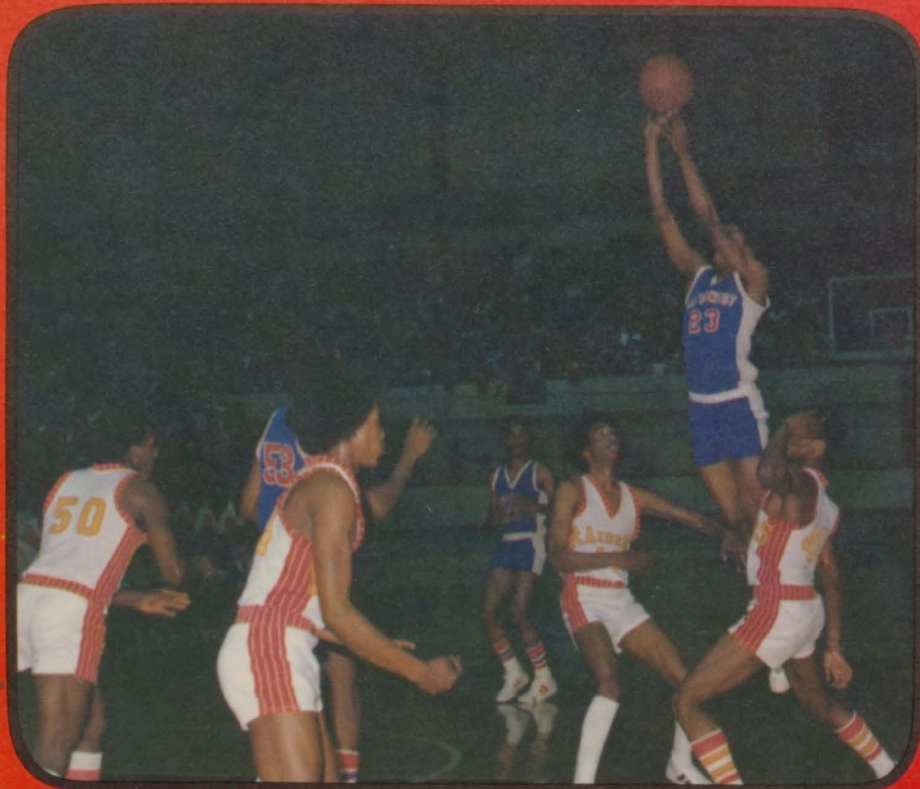

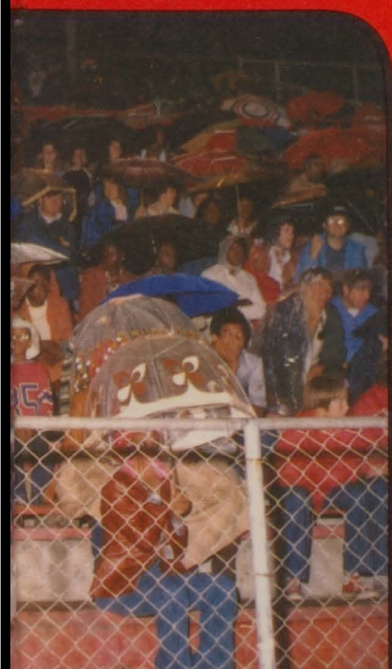

. . . Others help
weave our paths with
loving dedication and
encouragement.

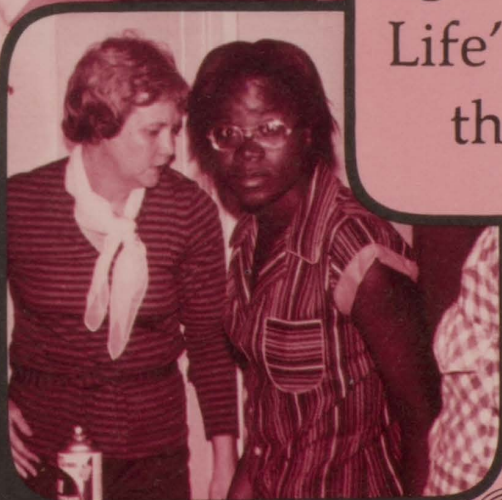

We now weave our tapestry with
this year's thoughts and ideas

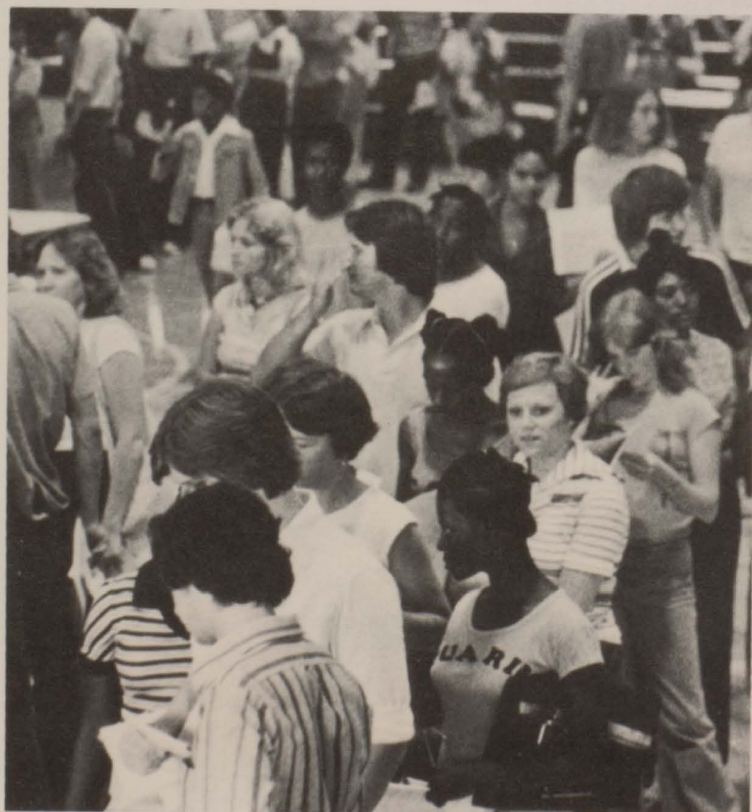

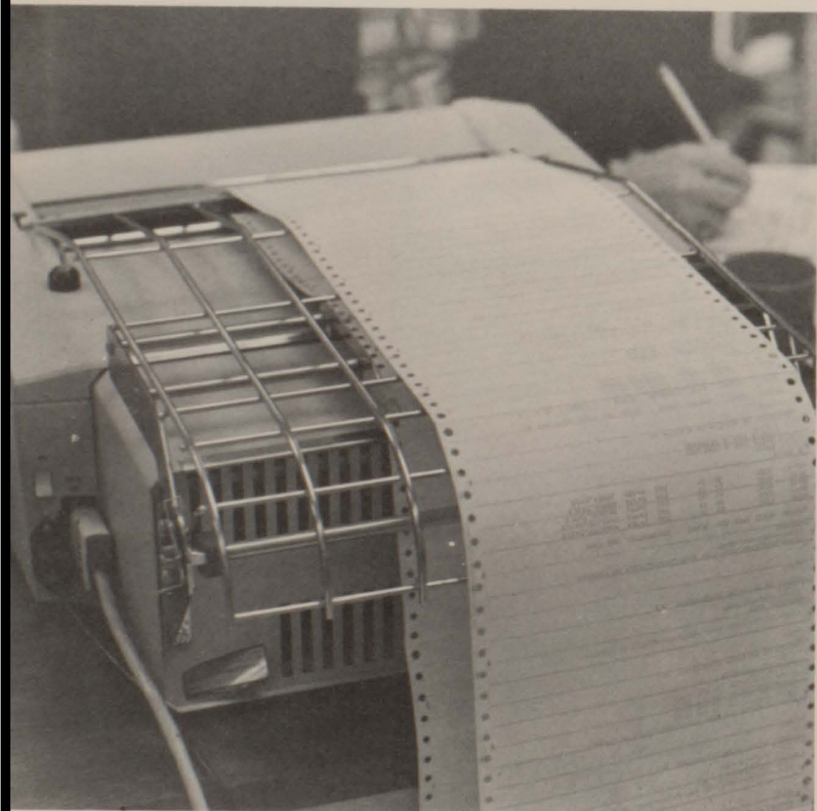

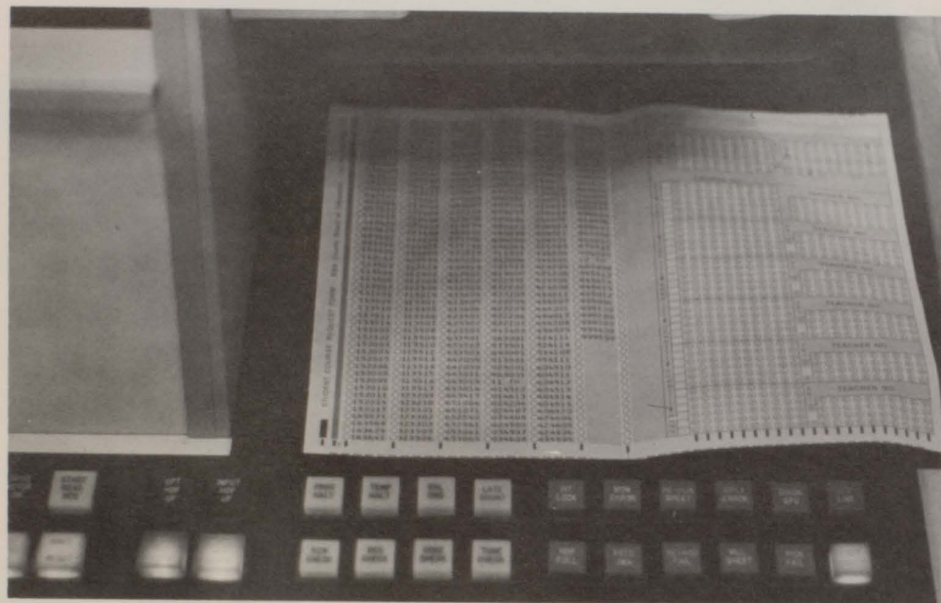

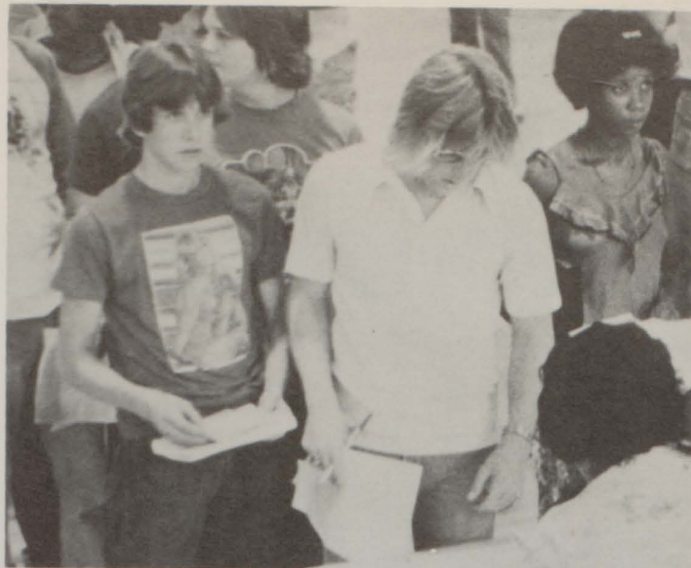

What are you
weaving?
. . . Look to
your
looms
again.
Life's in
the loom!

STUDENT

Music is a world within itself
a universal language

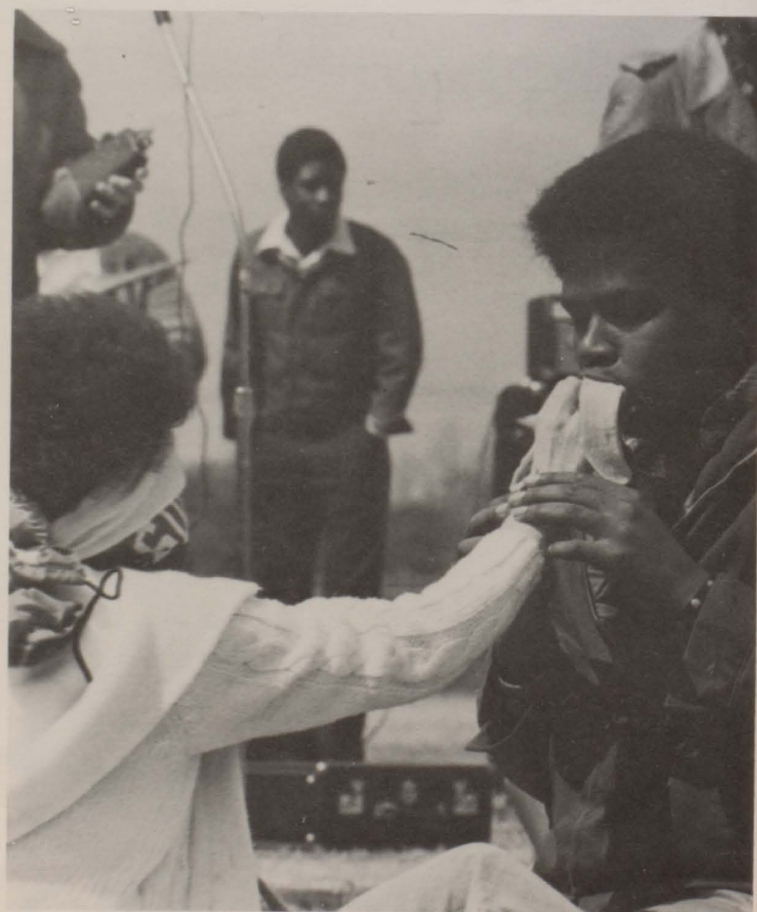

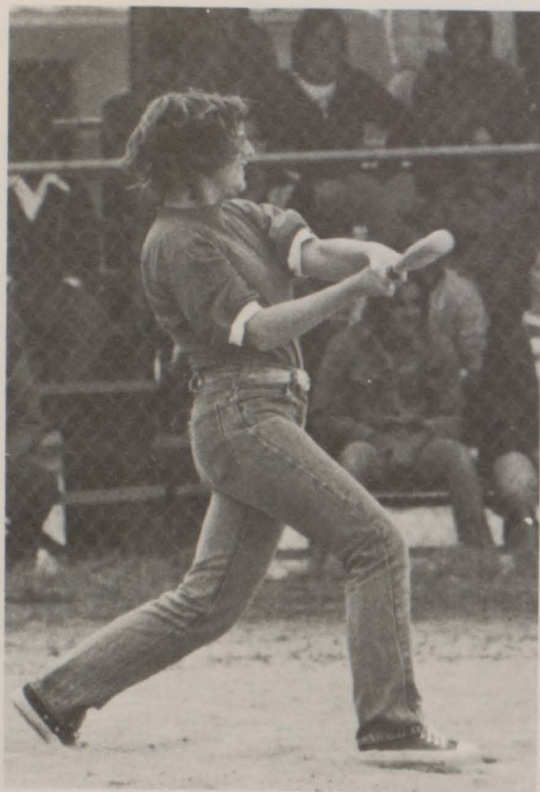

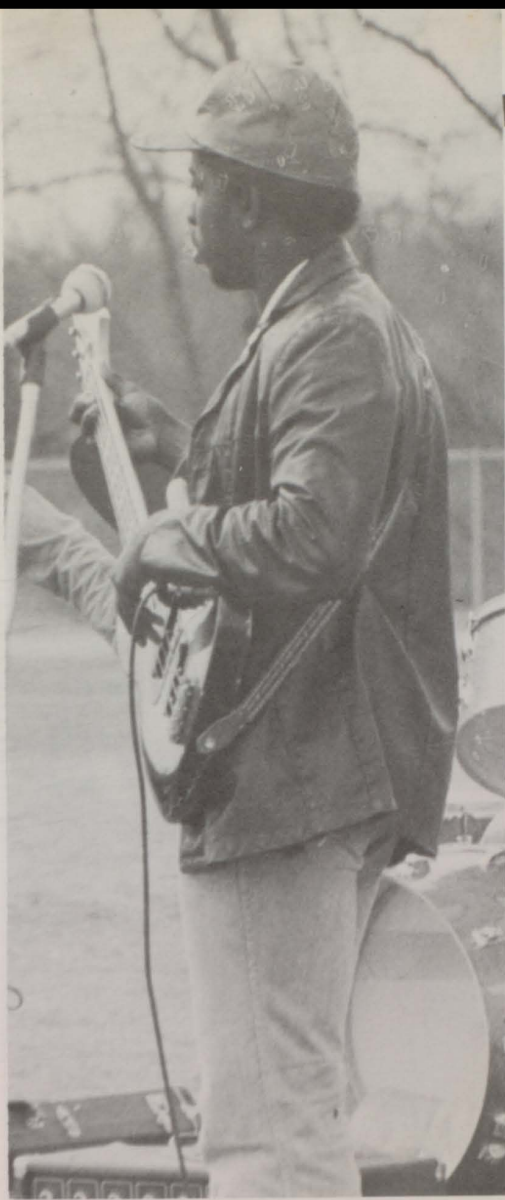

Chorus and Stage Band Concerts

Laughter and

Patriots weave
in memories
through . . .

. . . Kiddy day and those wild, wild Annual Sales!!
